

all the products displayed are handmade. a lot of thought, effort, time and patience goes into the making.
 in turn it gives them an opportunity to be self supportive. it brings out in them a sense of creation and makes them confident.
 Most of all it makes them happy!

 place your order**

**All items can be customized
 as per order !**
 may these products
 bring a smile on your
 face as big as those on
 the faces of their
 creators !

Pehchaan

enabling abilities

Pehchaan is an initiative by B M Institute for economic empowerment of persons with special abilities. Vocationally trained person are involved in designing and production of eco friendly items. Designs for each product are created keeping in mind the cognitive and physical development of each individual. The process aims at making each individual involved in the work self reliant and sustainable. Creating by freedom of choice and spontaneity leads to unique and innovative set of product ideas.
